Re: Veterinary Examination of Sale Rams

On Thursday the 17th of September all rams within the sale catalogue were examined by Dr Andrew Whale for fitness to be used as commercial or stud sires. All rams had their reproductive organs assessed and had scrotal circumferences greater than the recommended 32cm and there was no abnormalities in these rams.

The stud is also registered in the Ovine Brucellosis accreditation scheme

Kind Regards,

Dr Andrew Whale BVSc/BVBio
